Dear Larry,

Here it is the end of the year. I sure
am glad I came here and I'm glad I got to
know you. You're one of the most wonderful boys
in this world. You've got loads of personality, and
you're real real cute. I hope we can remain
to be friends for a long time. I won't be here
next year because I'll be going to El Monte, but
I hope I get to see you anyway. Always stay
as sharp and nice as you are now, because
you're the best the way you are now. I want
to wish you all the love, luck,
and happiness the world can
hold. I hope you have a marvelous summer.

Memo to Matadors—

Here is your 1957 El Camino Real. We hope that you enjoy it as
much as the annual staff enjoyed putting it together.

The selection of our theme was determined by two ideas: First,
our school is as MODERN as the Ivy League Look, 14 inch wheels,
and frozen soup. Second, an annual is an informal record, or
MEMO, of the school year just completed. These Combined ideas
suggested our theme—MODERN MEMOS.

Memo to Faculty and Administration—

The success or failure of any school rests largely on adult leadership. San Gabriel High School is especially fortunate in having an administration and a faculty whose members are capable and able to give the school excellent guidance.

SAN GABRIEL HIGH SCHOOL

Memo to Seniors—

A memory is left to each and every graduate of San Gabriel High School. Senior sacks, the Senior Play, the Prom — all things looked forward to for three years — have come and gone and it's time to continue along the road of life to new problems and experiences. The Seniors at S.G.H.S. have the usual memories of work and good times, but in addition they have the realization that they contributed to the growth of a new school that is the pride of the administration, the students and the community.

SENIORS

SENIORS

Time passes quickly. Only yesterday you were molded together as Matadors. Tomorrow you will be able to look back on the memories of two years filled with work and pleasure to make San Gabriel High School outstanding in activities, in leadership, and in academic achievements. You carried out the traditions of the first senior class and made new ones that will be passed on to future classes as lasting remembrances. Going into the world of business or to college is a big step, but you have shown that you are ready. No matter where you go or what you do, you will bring honor to San Gabriel High School. GOOD LUCK, SENIORS!

SENIOR

"Stardust," Walter Kerr's hilarious three-act comedy, was presented as this year's Senior Play.

The plot concerned a leading Broadway star, Prudence Mason (Judi Elmburg) who entered a college of dramatics to make a guest appearance in Shakespeare's "Anthony and Cleopatra."

Glenn Johnson portrayed Mr. Bach, the Director of the Academy of Dramatic Allied Arts, who strongly believed in the Stanislavsky System of acting.

Dick Adams and Carolyn White scored a solid hit as the young romantic leads. Other stellar performances were delivered by Joan McGee, Miss Mason's friend, Jim Singer, Hollywood talent scout; Pat Martin, the Dean of Women; and Bill Wolff, Miss Mason's fiance.

Well received performances were also presented by Kathy Howard, Barbara Geiger, Mike Laughlin, Calvin Ellisor, Dianne Lowder, Bill Clune, Michele Coutts, Joanne Cernelli, Val Donhue, Diana Beechler, Sherry Elder, and Lucia Gardiner.

The production staff consisted of the following: Miss June Franklin, director-production coordinator; Norma Berry, student director; Vickie Ilgen, rehearsal secretary; and Jack Lampert, stage manager.

Much credit was due to the cast and crews, especially to Miss Franklin who did an excellent job of coordinating the entire production.

"Stardust" was well received by a packed house and was one of the outstanding events of the year at San Gabriel High School.

ASSEMBLIES

This year much fine talent paraded across the Matador stage. We were host to the U.C.L.A. varsity band, one of the finest college musical organizations on the coast, and the College of Pacific a cappella choir, which is rated best in the western states. Such distinguished personalities as Reverend Bob Richards and Baxter Ward joined our own talent. The drama department produced two excellent one act plays; the music department presented Christmas and Easter programs; the girl's modern dance classes produced an exciting trip to Disneyland. These educational and entertaining assemblies provided interest and variety for every student.

TURN-ABOUT "TANGLE"

SHIPWRECK SHE-BANG

The sound of ocean waves dashing against rocks, sand and palm trees provided the correct atmosphere for our first backward dance — Shipwreck She-Bang. The night air was filled with rhythm provided by Ed Kennedy and his 8-piece band — The Sophomores. Costumes for the occasion ranged from beachcombers to fierce looking pirates with beards. If you were one of those who attended this social event, you will remember it as one of the outstanding dances of the year.

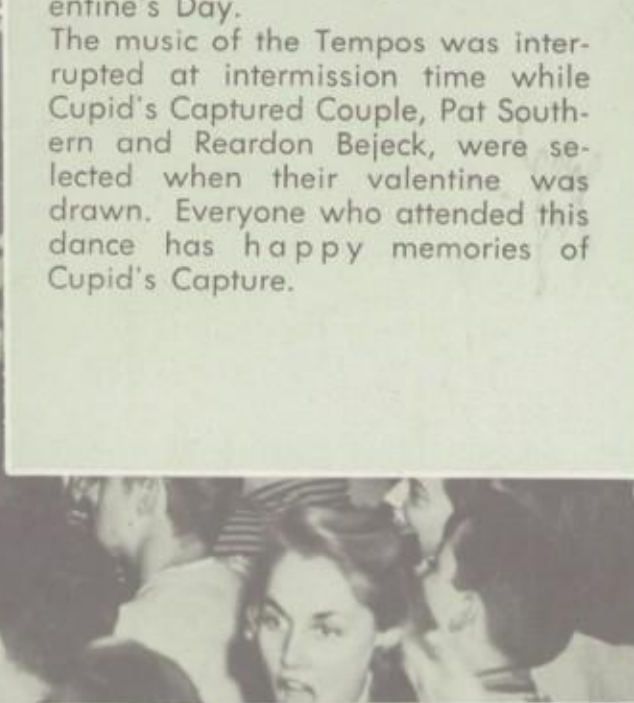

CUPID'S CAPTURE

No shoes were allowed at our second backward dance, presented by the executive boards of both semesters. Cupids adorning the walls and balloons hanging from the ceiling gave the festive atmosphere for Valentine's Day.

The music of the Tempos was interrupted at intermission time while Cupid's Captured Couple, Pat Southern and Reardon Bejeck, were selected when their valentine was drawn. Everyone who attended this dance has happy memories of Cupid's Capture.

THE HOMECOMING

Climaxing the 1956 football season at San Gabriel was the Homecoming. The celebration consisted of a parade, the "Homecoming Hello," a football battle with the Apaches of Arcadia, and the crowning of the Queen and Princesses at the "Coronation Cotillion." This second annual homecoming event proved to be fun for all, especially the alumni.

Memo to Coaches, Athletes, and Fans—

Following is a record of our conquests and defeats during the past year. All students at San Gabriel High School participated in our athletics program, either as an athlete or as a spectator. By the combined efforts of these two working groups, our athletics season produced exciting and successful wins, which will be long remembered.

VARSITY

The 1956 Matador football season left us memories of an aggressive, spirited team that was outscored in most games but outfought in none. Captain Louis Gallego led the Matadors through a season filled with examples of a continuing tradition for fielding teams noted for hustle and hard football. The team had more than its share of bad luck and injuries, having five to seven of the first stringers sidelined for six of the nine games, but left the field with the respect of the fans and opponents for their determined play up to the final gun.

Head Coach Hunt and Line Coach Purcell managed to weld together a colorful, hard-charging unit, highlighted by a defensive line considered to be one of the toughest in the league. 1956 gave us our first all league selection in Ben Cutter, who was unanimously chosen as our first string tackle. Ben was also placed on the first all San Gabriel Valley team, and his outstanding play will long be remembered. Matadors will also remember departing seniors Mike Williams, Bill Barash, Phil Keathley, Jim Holmes, Dave McCallister, Ken Carroll, Rollin Scholfield, Dick Flotho, Mel Melsheimer, Captain Louis Gallego, and many others.

VARSITY TRACK

Coach Howard Hunt

The Matador track team, with several outstanding performers, indicated that in the future San Gabriel will be a leader in this field. Louis Gallego led the team with several outstanding 880 yard races, in which he set a new school record of 2:00.9—one of the fastest times in Southern California. Phil Keathley furthered the record breaking year by running the 440 in 53.1 seconds, by sprinting the 220 in 22.8 seconds, and by sprinting 100 in 10.3. All were new marks. Bob Lowe in the broad jump, John Wolfe in the shot put, and Jim Holmes in the high hurdles set new school records as models for next year's Matadors. Track interest has shown much growth, and the San Gabriel Matadors should be well represented in the new Sierra League in 1958.

Dear Larry,

I am awfully, awfully glad that I can say that it has been a real pleasure for me to know you because I can. You have added a sparkle to our Algebra class that would not be there without you. I really have missed you in Latin. You know I'm really going to be awfully sad to say "Good-bye" to old San Gabriel High School and to all my friends. I hope I can count on you to be one of my friends, Larry, because I would like you to be one. I wish you a lot of success and happiness in the future. No matter what you plan to do, I know you'll make a success of it. After being in Latin class with you, I know you have the ability so just put a little drive behind it and I know, I'm positive, you'll be a success. Best of luck always, Larry. You deserve it.

As ever,

Sony —
I think you are a real neat boy. And
I hope you do real well with the
baseball team. I've enjoyed talking
with you about baseball ever though
I don't know too much about it. But
I think I know as much about it as
Bruce.

We didn't get our H's in Algebra
did we, but maybe if we take a repeat
we could get an (H) or maybe you could
I'm not so sure about me.

I'm not so sure about me.
You will have fun in your Junior
year because I sure did. Even though
I did kind of mad at you sometimes
I still think you are a real sweet boy.
Just always stay that way Sony, and
keep up the good pitching. But don't
hurt your arm or they will be out
a good pitcher.

I've been wanting to come to one of
the games, to see how good your team
is. I will be there.

Lots of Luck
